Word Generation:

The WORD WALL speaks!

As part of Word Generation at O'Maley, each week's 5 academic words now greet everyone entering the school. The wall is another invitation for everyone stepping in to O'Maley to start thinking upon entry!

The WORD WALL features weekly academic vocabulary from the second half year of the Word Generation program. Each week, the five words are examined across all grades, and in all content classrooms at O'Maley. Words come from a weekly text presenting a controversial topic of national curiosity. The Word Wall is Part II of the enormous Word Wheel in the commons which highlights academic language from the first half year's work.
