Safety Concerns

Attn: Students that walk to school –

Please do not cut through the DPW grounds on your
way to school or home.

Attn: Parents driving to school -

Please be mindful of the walkers and all the
other cars on the road and to adhere to the
speed limit. Reminder that this is a school zone.

Designated drop off and pick up area

for students is in the hockey rink parking lot,
beyond our building. Allowing students to hop
out of your car on Cherry Street or in the traffic
rotary causes a safety concern. This practice
should be observed at all times, even if the
crossing guard is not in place. Thank you for
your cooperation on this important matter.
